

great work. The team would consist of those who currently help them in the work, but hopefully many more people, so that we could create a rota and then the load doesn't just fall on a few. If you are interested in serving God in this way, please have a word with Kevin Ulyett or Alison Lockwood. And if you have friends or family members who don't come to church, but would like to be involved, then ask them too.

Christian Aid Week results

Thank you so much to everyone who supported Christian Aid Week, particularly the small band of people who took part in the door-to-door collection and those who gave so generously to my sponsored walk. The total amount raised by St. John's was £1471.90, which comprised door-to-door collection £502.40, church envelopes £261.50 and the sponsored walk £708.00.

Your prayers and prayer requests are much appreciated. It is wonderful that we can support one another in this way. However, would you please make sure that you obtain the permission of those you are requesting prayer for, before posting your request by email or Facebook or in any other way. Sometimes people prefer to keep their situation known only to close family or friends, and we want to respect their wishes. Thank you. Richard and Julia
